Official election results are in and Sharon Acuff was re-elected to her position on City Council and Donald Porter was newly elected. Both were sworn in.

The City is looking into having the snow plow box hinge fixed by A&E Millwright so that it can be fixed before we need it. Then filled with sand.

The flashing is coming loose on the Old City Hall. Porter will look at the roof and suggest a person to fix any problems he finds.

The proposed ordinance on pet store restrictions was discussed and the Council has rejected the ordinance for the time being. Any pet store that would like to locate in Pilot Mound would need to come to the Council before opening and the idea could be discussed then if need be.

Morris Walters was at the meeting to discuss the trade between the City and him for tractor blades. Walters' blade is in much better shape than the one the City own. Walters wanted to trade the sickle mower and the blade for his blade. No way was presented for the sickle mower to attach to the new tractor. Motion was made by Acuff and second by Crouch to trade both the mower and the blade to Walters in return for his blade. All in favor. Morris agreed.

Judy Bennett and Lass met with a contractor about the fence around the pump house.
